Perkins Park looks back on a long tradition as it exists since 1980 and therefore is one of the most enduring clubs in Germany. In spite of its long traditions Perkins Park is always up-to-date.

Wednesdays are celebrated under the slogan “ALLES IST MÖGLICH MITTWOCH - #AIMM”, with mixed music and all drinks (except cocktails and vintage champagne) at half price.

Fridays Perkins Park is usually attended by people in their thirties. The first Friday of the month, addressed to the “older” disco generation, is called JAHRGANGSTREFFEN. Enjoy a free buffet (until 12 am) and celebrate with music from the 70s, 80s, 90s, and the latest hits. On the second Friday of the month, Perkins Park celebrates 2000ER MEETS STUDENTS@PERKINS PARK. The third Friday of the month is called LA BOUM, with music from the 80s on the main area, and house and charts on the second club. On the last Friday of the month all generations are celebrating by the best music from the 90s at our 90s-PARTY.

On **Saturdays** highlight SUPREME the most popular DJs serve up R&B, Hip-Hop and Soul on the main floor, while urban classics from the 80s and 90s are played on The GOLDEN AREA. Electronic beats are played on the EDFloor.

Minors (16 and above) are welcome on our OBERSTUFENPARTY, which regularly takes place during school vacations. Doors open at 7 pm as the party ends at 12 am for all under age persons.

Friends of Italian music come in NOTTE MAGICA on their cost, schedule this on www.facebook.com/perkinsparkstuttgart/events.

More detailed informations concerning our actual program are to be found on our homepage:

Characteristics

An outstanding characteristic is the continuous glass front along the lobby with an outstanding view over Stuttgart.

Despite the clubs size it is cozy as the location is split into different areas: main club, second club, lounge, restaurant, and the well-spaced garden with a lounge and restaurant area. Therefore Perkins Park is the perfect venue for corporate events, presentations, birthdays or any other special occasion - ask for your individual offer.

We would like to highlight our garden area, which is opened during summer. The garden area is equipped with comfortable lounge furniture, a big screen, as well as the restaurant area with a grill. The restaurant offers various international dishes at affordable prices.

At the weekend we offer an interesting special - DINNER & DANCE. This special includes free entrance until 11 pm if you make a reservation at the restaurant. As the restaurant (90 seats) with its cocktail lounge is separated from the other areas you can enjoy your dinner with friends without being disturbed by loud music from the club areas.
