Perkins Park is been a Stuttgart icon since 1980 and Stuttgart's hottest location over more than four decades!

On Fridays, Perkins Park is mainly frequented by the over-30 crowd.

Jahrgangstreffen: Every **first Friday of the month** is mainly for people of the 'older' disco generation. Celebrate and have fun in the Big Club ('Großer Club') while listening to music from the 80s and 90s as well as current hits! Enjoy our rich buffet with many exquisite delicacies, and take a day off from cooking yourself! Simply reserve your buffet ticket at www.perkinspark.ticket.io and treat yourself.

Buffet starts at 8 pm.

Oberstufenparty: every **second Friday of the month** we celebrate our "Oberstufenparty" (= Senior Party, ages 16 and older): THE party for our 16 and 17 year old guests – we open at 6 pm and the party ends at midnight.

FiftyFifty: Every **third Friday of the month** we offer 50 % off drinks (excluding vintage champagne and cocktails) at our FIFTYFIFTY event series.

Throwback-Party: Every **last Friday of the month**, we celebrate our Throwback-Party for all ages. Celebrate and have fun listening to dance floor hits from the 90s and 2000s!

Another highlight is the **SATURDAYS** party series **every Saturday:** the successful Hip-Hop-Party with R'n'B, Hip-Hop, Urban-Classics and Afro-Beats.

Friends of Italian music will have a great time at **NOTTE MAGICA.**

Latin beats fans will love the **I LOVE REGGAETON** events.

Perkins Park Specials'

The long glass front along the lobby is certainly Perkins Park's most striking feature offering a great view of the Stuttgart skyline.

The club is divided into a number of different areas: Large Club ('Großer Club'), Small Club ('Kleiner Club'), Restaurant, Lounge and spacious Garden Lounge. This allows, Perkins Park to maintain an element of intimacy and comfort despite its size.

Presentation possibilities are available on our custom programmable LED wall located in the Large Club. Company events, presentations, birthdays or other special occasions will certainly find a suitable setting at Perkins Park – we will be happy to make you an individual offer.

In the summer, our garden area with lounge furniture and the restaurant area with a grill station are particularly beautiful. The restaurant at Perkins Park's offers international cuisine at fair prices ranging from a small snacks to a 5-course menu. The restaurant area offers seats up to 90 people and also has a cocktail bar. As this area is separated from the Clubs area, you can have a private conversation and without being disturbed by loud club music.

Corporate Functions, Employee Functions, Company Functions, Summer and Christmas Parties

The location of the Perkins Park is unique: situated directly at the edge of the Stuttgart Park ('Höhenpark'), the impressive architecture offers an unobstructed view of Stuttgart's beautiful panorama. Here, every event becomes an unforgettable experience!
