Perkins Park has been in existence since 1980 and is therefore one of the most constant clubs in Germany, which has remained cutting edge despite its long tradition. On **Wednesdays** the motto is EVERYTHING IS POSSIBLE #AIMM. At this party there all drinks (except vintage champagne and cocktails) are at half price. Musically, the evening is "completely detached", i.e. mixed music.

On **Fridays**, Perkins Park is mainly visited by the so-called Ü30 guests. The first Friday of the month is called VINTAGE-MEETING and is mainly ment for people of the 'older' disco generation. One can party to Music from the 70s, 80s and 90s up to the latest hits in the big club, after one have has strengthened oneself at the free gourmet Buffet (until midnight). The Big La BOUM party takes place on the third Friday of the month. Music from the 80s in the big club, house and charts in the small club. On the last Friday of the month all age groups (since 2007) party to the dancefloor hits of the 1990s at our 90s party.

Another highlight is every **Saturday's** SUPREME-PARTY: at the probably most successful hip-hop party in Germany for almost 15 years, the hottest DJs of the scene present every Saturday at the Big Club R'n'B, Hip-Hop and Urban Classics, while in the BLACK BOX in the Small Club our guests are partying to electronic music.

Furthermore, for all ages 16 and over, the SECONDARY SCHOOL PARTY party is regularly celebrated during the school-holidays. Admission is already from 7pm – for the under 18-year-olds the party only goes until midnight.

Friends of Italian music will have a graet time at the NOTTE MAGICA, whose dates are published on [www.facebook.com/perkinsparkstuttgart/events](http://www.facebook.com/perkinsparkstuttgart/events).

## Special

An outstanding feature is certainly the long glass front along the lobby with the view over Stuttgart. It should be noted that despite the size of the discotheque, the coziness does not stay on the track, as the location is divided into individual areas – large club, small club, restaurant, lounge and spacious garden lounge-restaurant area. For this reason, company events, presentations, birthdays or other special occasions will certainly find the right setting in Perkins Park – request your individual offer.

The open in summer garden area with lounge furniture and screen as well as the restaurant area with grill also deserve to be mentioned. Perkins Park has a restaurant serving international cuisine at a fair price. You can choose from a small intermediate snack to a 5-course meal. DINNER & DANCE is also an interesting offer: those who reserve a table at the weekend before 23:00 am for dinner, enjoy free admission. The restaurant area (up to 90 seats) with adjoining cocktail bar is shielded from the music from the clubs, so that you can entertain yourself in peace.
